

# Welcome to Western Hills 5<sup>th</sup> Ward Nursery

We are very excited about having \_\_\_\_\_ join us in nursery; we have \_\_\_\_\_ as their starting date.

We encourage you to come along to nursery a couple of weeks before hand to visit with us and help get your child used to our nursery routine and meet the nursery leaders and children. There are a few important things we would like to let you know about our nursery.

**Before Nursery:** Please make sure you take care of your child's toileting needs before nursery. Any child with a dirty diaper will be brought to their parents for changing.

**Illnesses:** Please do not take your child to the nursery when he or she has any of the following symptoms:

- Fever
- Runny nose
- Cough
- Vomiting
- Diarrhea
- Rash
- Eye discharge
- Head lice
- An illness or infection treated with antibiotics within the last 48 hours
- An obvious childhood illness in the contagious period eg. Chicken pox (seven days)

**Nursery Team:** We have a great nursery team! Feel free to contact them and ask them any questions you may have.

Sis. Janet Wellman - 801-969-8258

Sis. Chiko Vreeland - 801-502-9585

Sis. Krystal Fruge - 801-577-7360

Please fill out this form and return it to nursery next week.
